

# Tired of losing your crops to birds?

Then join us for a presentation by the high-tech winner of our recent Bird Deterrent Design Challenge! They will show off their design and describe the capabilities of this new technology. Questions and suggestions are welcome!

Who should attend:

- Produce and seed growers
- Food safety personnel
- Livestock managers
- Agricultural researchers
- Potential investors

Date: Oct 20, 2016

Time: 2:00-3:00pm

Location: Yuma Ag Center, 6425 W. 8<sup>th</sup> St.

RSVP required at <https://goo.gl/forms/TyFpbJvxuwsvvFeW2>
