## Community Forum About *E. coli*

Do you have questions about *E. coli*, and how Yuma growers keep our fresh produce safe?

**DATE:** Friday, May 4, 2018

**TIME:** 11:30am-1:00pm

**LOCATION:** Schoening Conference Center, Arizona Western College, 2020 South Avenue 8E, Building 3C

UA Cooperative Extension will host a *Community Forum* to provide information about *E. coli* and address questions from the community. Presenters include Dr. Paula Rivadeneira, Extension Specialist in Food Safety and Wildlife; Dr. Channah Rock, Extension Specialist in Water Quality; and Vicki Scott, a representative from the Yuma Safe Produce Council. Lunch will be provided and registration is free.

Space is limited so reserve online early using this link <https://tinyurl.com/yb56yrwh>.

For more information, contact Dr. Rivadeneira at [pkrivadeneira@email.arizona.edu](mailto:pkrivadeneira@email.arizona.edu) or 928-919-2611.
