# FUSARIUM WILT OF LETTUCE FIELD DAY

December 3, 2021

Yuma Field Site:  
Hwy 95 & Ave. 5E

anytime between 8:00 AM - 12:00 Noon

*Look for the signs!*

## Come view the following trials:

**Commercial lettuce varieties:** 40 iceberg and 38 romaine varieties were evaluated.

**Advanced breeding lines:** Lines from the USDA-ARS and UC Davis breeding programs were planted in a demonstration trial. More information will be available at the field.

Stop by the Yuma trial site off of Hwy 95 & Avenue 5E (south of Sierra Pacific Mobile Home Park) on Friday, December 3rd between 8:00 am - 12:00 noon! Dr. Stephanie Slinko will be on-site to answer questions.

Stay Informed!
