

2024 Desert AgTech Conference Yuma, Arizona November 13-14, 2024 Demonstration Participant Information

The **Desert Difference: A Showcase of AgTech Opportunities for Growing in the Desert** is not just another event! The AgTech conference is a pivotal moment for the agriculture industry and an opportunity for business leaders to capitalize on emerging opportunities in desert agriculture. As a vendor, the conference allows you to showcase your AgTech innovations and connect with growers, industry leaders, startups, and researchers.

Day 1 (Nov 13): conference participants will experience AgTech in action at the University of Arizona Yuma Ag Research Center. Attendees will see firsthand how cutting-edge machinery and technologies can revolutionize their farming practices. Field demonstrations and static displays will showcase technologies for growers and industry leaders.

Day 2 (Nov 14): The AgTech conference at the Yuma Civic Center will feature expert speakers and industry pioneers who focus on optimizing operations, increasing yields, and enhancing sustainability with technology. Vendors can showcase their companies through booths and lightning talks.

Day 1 (Nov. 13th) Field Demos Sponsorships:

In-Field Demo (11 available) @ \$1,500
Demo Day Static Display @ \$500

Day 2 (Nov. 14th) Conference Panels, Presentations, & Discussions:

Lightning Talk (10 available, includes a booth at the conference) @ \$750
Conference Day Booth (no lightning talk) @ \$250

Package Deals:
