The Western Growers Center for Innovation & Technology, Center for Produce Safety and Yuma Center of Excellence for Desert Agriculture have partnered to host AgTechX Food Safety. This event kicks off a yearlong initiative aimed at food safety acceleration to improve the toolkit of rapid diagnostics and prevention technologies.

AgTechX Food Safety features panels on industry issues, regulatory views and food safety innovation, plus hear from the AgTechX Food Safety Cohort of AgTech companies!

**Register for this unique industry event to help move the needle on food safety!**

RSVP at <https://pages.agtechxfs.com/Yuma-02-02/>

### 1:00PM **Check-in and Registration**

Event check-in and an opportunity to meet with some of the start-up companies who are developing technologies aimed at rapid diagnostics and prevention.
