

COLLEGE OF AGRICULTURE AND LIFE SCIENCES

Yuma Center of Excellence for Desert Agriculture

Invites you to a presentation of

The Center of Excellence Seminar Series

Water Use Efficiencies

June 15, 2016

10:30 am

Yuma Ag Center

6425 W. 8th St.

Please join us on Wednesday, June 15 for our first informational seminar with Dr. Sharon Megdal, Director of the UA Water Resources Research Center (WRRRC). Attendance is free!

There will be a working lunch after the presentation to suggest topics for the WRRRC 2017 Conference on Ag Water Sustainability. Please RSVP by Monday, June 13 so a headcount for lunch can be obtained.

Engage in Dialogue About:

- [WRRC projects throughout Arizona](#)
- [Irrigation practices & Ag water sources in Israel](#)
- [Lessons learned from visiting Oregon & Israel](#)
- [Arizona's water management options & trade offs](#)

Agenda:

10:30 am Water Use Efficiencies Presentation
12:00 noon Lunch

Sharon B. Megdal is Director of the University of Arizona Water Resources Research Center (WRRRC), an extension and research unit in the College of Agriculture and Life Sciences. Her work focuses on water policy and water resources management, on which she writes and frequently speaks. The geographic scope of Sharon's work ranges from local to international. She has served on many boards and commissions including the Central Arizona Water Conservation District, State Transportation Board and the Arizona Corporation Commission. Sharon holds a Ph.D. in Economics from Princeton University.
